SAPHIR

The Casada massage chair SAPHIR – your personal wellness oasis at home.

Welcome to a world of boundless relaxation.

The SAPHIR massage chair from Casada is more than just a technical masterpiece – it's your personal sanctuary. In a world driven by stress and haste, the SAPHIR offers what has become most precious today: peace, recovery, and renewed energy – all from the comfort of your home.

Your daily mini-vacation starts here. Take the break you deserve. The SAPHIR brings professional massage technology straight to your living room – anytime, with no appointments or waiting. Sit back, breathe deeply, and feel tension and stress melt away.

Technology that inspires – Features that impress:

A variety of massage programs

From gentle kneading to intense Shiatsu techniques – the perfect treatment for every mood and need.

Customizable

Massage intensity and duration can be precisely adjusted to your preferences – for a tailored relaxation experience.

Soothing Heat Function

The integrated deep heat helps relax tense muscles and enhances the effect of every massage.

Easy to Use

With the user-friendly remote control, you can intuitively control your massage – relaxation has never been easier.

Energy-Efficient & Maintenance-Free

The SAPHIR is not only energy-saving but also completely maintenance-free.

The Casada SAPHIR is not just an ordinary massage chair. It's a premium wellness product that can significantly enhance your quality of life. It supports circulation, relieves tension, promotes better sleep, and provides you with an entirely new sense of well-being.

Premium. Comfortable. Remarkably affordable.

Despite its innovative technology and wide range of features, the SAPHIR offers a surprisingly attractive price-performance ratio. What's more, it's completely maintenance-free. No follow-up costs, no compromises – just pure relaxation at the push of a button. The Casada SAPHIR is designed to provide long-lasting reliability without the need for regular service appointments, spare parts, or technical inspections.
